For this holiday season, I'd like to share with you some of my favorite quotes about the meaning of Christmas. I hope they speak to you in the same way they do me!

"Christmas isn't a season. It's a feeling."

– **Edna Ferber**

"May you never be too grown up to search the skies on Christmas Eve."

– **Unknown**

"Christmas is a piece of one's home that one carries in one's heart."

– **Freya Stark**

"The way you spend Christmas is far more important than how much."

– **Henry David Thoreau**

"Christmas is doing a little something extra for someone."

– **Charles M. Schulz**

"Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful."

– **Norman Vincent Peale**

"What is Christmas? It is tenderness for the past, courage for the present, hope for the future."

– **Agnes M. Pahro**

"Blessed is the season which engages the whole world in a conspiracy of love."

– **Hamilton Wright Mabie**

And then there's this one, which is a different kind of inspirational.

"The main reason Santa is so jolly is because he knows where all the bad girls live."

– **George Carlin**
