

Hi Everyone! Happy first week of spring! You can read just as well outside as inside, so grab a book and go enjoy the sunshine!

## March Is Women's History Month

Women's History Month is a celebration of women's contributions to history, culture and society. To celebrate and the honor the women who have shaped our world, here are 10 inspirational quotes from women in history:

1. "If you want something said, ask a man. If you want something done, ask a woman." –**Margaret Thatcher**
2. "The question isn't who's going to let me. It's who is going to stop me." –**Ayn Rand**
3. "A woman is like a tea bag—you never know how strong she is until she gets in hot water." –**Eleanor Roosevelt**
4. "There are two kinds of people– those who do the work and those who take the credit. Try to be in the first group; there is less competition there." –**Indira Gandhi**
5. "No one can make you feel inferior without your consent." –**Eleanor Roosevelt**

6. "If you don't risk anything, you risk even more." –**Erica Jong**
7. "For most of history, Anonymous was a woman." –**Virginia Woolf**
8. "Fight for the things that you care about, but do it in a way that will lead others to join you." –**Ruth Bader Ginsburg**
9. "I'd rather regret the things I've done than regret the things I haven't done." –**Lucille Ball**
10. "The most common way people give up their power is by thinking they don't have any." –**Alice Walker**

My non-book life has been kicking my butt lately, so unfortunately I haven't made much progress on my next novel since last month's newsletter. So . . . this month I'll share something a little farther in the future.

Ever wonder what happened to Will and Tori? Did they get married? Go on a fabulous honeymoon in Europe? Did Will become a well-known artist? What about Jenny and Jason--where did they end up? So far it's just an outline, but *Embrace Tomorrow #3, Tomorrow and Always*, is the next book on deck after *Just Breathe!*

I'll provide updates on both in this section of my newsletter as I make progress!

We got Murphy a playmate! This gorgeous little girl is Rosie, and she's just 13 weeks old! She's adorable and sweet, and we're hoping she and Murphy will be the best of friends once they get to know each other a little better. My cat family is complete! And here's a shot of Murph doing his best to look regal. He's pretty good at it, no?
